

Network of Real Estate Advisors

Offers

Exciting JOB cum BUSINESS Opportunities
For
Real Estate Professionals

BRAND REALTY is a fast growing network of Real Estate Agents and Advisors. The company is dedicated to building an efficient model for the Real Estate professionals wherein the professionals can focus on their core activity of providing transaction services to the satisfaction of the clients and BRAND REALTY shall provide Marketing, Wanted Leads, Infrastructure, Properties Data, Training and other supports to the professionals in its network.

Benefits of joining the network of BRAND REALTY:

- **Quality Wanted Leads** - BRAND REALTY generates verified Wanted Leads for all segments through different channels like company Website, Advertising, Internet Listings, Telecalling, Referrals and various other mediums, which are passed on to the network members.
- **Quality Properties Data** – BRAND REALTY builds Properties Data of all segments from different channels like Company Surveyors, Newspapers, Internet Listings, company Website and various other mediums and the same is provided to the network members.
- **Business from Corporates / Brands** – Transaction Services team of the company is responsible for business development with Corporates / leading brands which in turn is shared with network members of BRAND REALTY.
- **Low Marketing Costs** – Major advertising and marketing being done by BRAND REALTY means lesser marketing costs and major time saving for its members.
- **National Exposure** – BRAND REALTY promotes its members as specialists in their areas and the details of the members, their requirements and property details are more widely circulated through various marketing mediums and the company website, etc.
- **Greater Recognition** – Being a part of established network, you get instant recognition as a serious player in your area with more exposure for you / your company. Greater Brand Recall, Greater Earnings, Greater Recognition.
- **Training and Knowledge Sharing** – Group learnings and interaction with more knowledgeable members in the group coupled with regular Training sessions go a long way in enhancing your skills as a Real Estate specialist.
- **Networking Benefits** – You get instant access to other network members in the group increasing your chances of doing more deals across many other segments and areas and in turn you also get more leads for your own segment.
- **Benefit of Exclusivity:** Having Exclusive access to the Wanted Leads and Properties Data for your territory brings you more business and better recognition as a specialist in your area.

BRAND REALTY invites likeminded and talented Real Estate Professionals to join its network as ::

- **Real Estate Advisors**
- **Associates**

REAL ESTATE ADVISORS (REAs)

The selected individual will work as a Licensed REAL ESTATE ADVISOR of the company with full time involvement and the company provides all the facilities and supports to the REA including full office infrastructure, staff, advertising and marketing support with almost no business expense on part of the REA. The REA specializes in some segments while having flexibility of doing all types of deals across segments and areas. Commissions in *All* the deals done by the REA get shared between the company and the REA.

Minimum guaranteed monthly payments are made to select professionals working as REAs,of the company.

Pre requisites: Matured and experienced individuals with good communication skills and fluency in English, belonging to any of the following groups are eligible to join our network:

- Sales professionals with minimum 5 yrs. of experience
- Individual Real Estate Agents with or without own office
- Consultants in the related service industries
- Self Employed People
- Retired Personnel

ASSOCIATES

Selected Real Estate agents strong in their local areas can become ASSOCIATES of the company.

- WANTED LEADS generated by the company for these areas are given to the ASSOCIATES with full client details and the company becomes eligible for Referral Fees on successful closure of the transaction.
- Preferential deals are given to the ASSOCIATES in the New Projects which are actively marketed by the company.
- HOT LEADS available with the company for these areas get worked out with full involvement of both the company and the Associate and the total brokerage so collected is shared between the company and the Associate.
- Other network members of the BRAND REALTY group shall prefer to do their deals with such Associates.

BRAND REALTY shall appoint only few ASSOCIATES in each area. This is non-exclusive arrangement on reciprocal basis.

Note: A Standard Selection procedure is followed for each of the above mentioned positions.
